Certificate of Project Support and Execution

This is to certify that, Mr Deepak Kumar P Honakeri, has successfully supported the project on digitisation of Wire Harness Assembly by providing an Augmented Reality Android based solution, for 3 months, under guidance of Mr. Sathyajith TK.

The project objective was to provide a hands free, voice based solution for supporting wire harness manufacture.

The conduct and support of Mr. Deepak in project execution was commendable. We wish him a bright and successful future.
